Year in Review:

◊ **2020-2021 was a unique and challenging year for students**

◊ Due to most schools implementing distance/remote learning, the total number of tips received was significantly lower. Many tip categories decreased (fighting, threat of assault, theft, etc.), however there was an increase in reports of cyberbullying and harassment on social media (Instagram, TikTok, Facebook, etc.)

Wisdom from our Tip Line Technicians:

“I enjoy the challenge of working in conjunction with and acting as a liaison for the Oregon School Safety Tip Line because it provides a sense of responsibility towards the contribution of the overall safety and well-being of students, parents, staff, and members of the public.”

“Take every tip like it's a family member/ friend who is in need of help or support! Never give safety a day off!”

“Parents, including myself, are struggling to keep our children healthy while often juggling work at the same time so to be able to help other kids through this pandemic, even if it is just talking to them in a reasonable way of their understanding or just listening is a great deal. I believe everyone who can pitch in, should, so that we all can stay SANE and stay SAFE!”

What’s Next in 2021-2022:

◊ January 2022 marks the 5 year anniversary of Safe Oregon

◊ Continued promotion of the tip line statewide

◊ Provide support and collaboration with local school districts

◊ Collaborate with other states for best practices

◊ Enroll remaining schools

Help us promote SafeOregon!

SafeOregon is available 24/7 and can save lives! Local communities use this tool to help students with all issues ranging from mental health concerns, child abuse, bullying, drugs and much more. The tip line is available during virtual education, in-person learning, and school vacations/holidays; we are here for students 24/7, all year round.

Visit our website for access to printable posters, brochures, and a list of Oregon resources. Visit www.safeoregon.com and look under the “Resources” tab.

Ask your school districts and administrators for trainings, videos, marketing materials and more. All are available through the SafeOregon dashboard.

Talk about SafeOregon on Social Media. Use #safeoregon in your posts to boost the tip line’s visibility.

Talk to your friends and neighbors about the tip line and tell them where to get more information. Encourage parents and guardians to speak to their students about the tip line.
